6. Army Hospital [REDACTED] 25X1C

25X1A [REDACTED] Comment:

In detail:

a. Hq of Eighth Gds Army.

The Hq of the Eighth Gds Army is located in WEIMAR, however not on Am Markt, but, according to numerous credible reports, in the Sophien Krankenhaus (hospital) on Humboldtstrasse. Genpolk BOLDIN was last confirmed as CinC of the Eighth Gds Army in the Fall of 1948. The statement that he was relieved in command has to be confirmed.

b. 13th AAA Div

25X1C

Only the Hq and the 1173rd AAA Regt of the 13th AAA Div have so far been known to be in WEIMAR. The evaluation of [REDACTED] indicates that other component units of the division are probably located in JENA and MERSEBURG.

c. 47th Arty Regt

25X1C

A 47th Gun Arty Regt ([REDACTED]), listed in wartime records, was identified with the Eighth Gds Army in 1944. It is not considered impossible that the 47th Gun Arty Regt may still be assigned to the Eighth Gds Army as a Hq unit.

d. 218th Sig Regt

A 218th Sig Regt, allegedly assigned to the Eighth Gds Army Hq, was reported by a source of unknown reliability in the Fall of 1948. According to World War II records, the Eighth Gds Army included the 91st Sig Regt (located in WEIMAR in September 1948,

[REDACTED] in WEIMAR-MOHRHA by its [REDACTED]. It is not believed that signal regiments with numerical designations as high as "218" exist in the Soviet Army.

25X1C 0

The report confirms the Eighth Gds Army's 257th Motor Trans Bn ([REDACTED]) and its CO Col KARPENYUK (reported as Lt Col KARPENIK in 1948) as being stationed in WEIMAR. Maj ILYIN is known to be C/S of the battalion. The reported organization of the battalion is considered essentially credible in view of previous information and other comparable data.

25X1C

f. Army Hospital [REDACTED] was once before identified in WEIMAR in 1948. Further information is required to ascertain whether it is identical to Military Hospital [REDACTED] which 25X1C 0 is known to be located in the Lutzendorf Kaserne, WEIMAR.
